Vision Statement

Hanover - where a family of communities, inspired by its people, traditions, spirit and history, is the foundation for its future.

Mission Statement

The mission of Hanover government is to provide a quality of life that is defined, encouraged and supported by the community itself - where government focuses efficiently and effectively on the general well-being, education and safety of the people, where service delivery is based on sound financial practices, and where growth is managed in creative and innovative ways.

Building the character and competence of our nation's young people is an important challenge in our nation today. Through HANOVER'S PROMISE, every sector of our community, including business, faith-based, non-profit, civic and government agencies, are helping meet these challenges in the lives of young people. To learn more about HANOVER'S PROMISE and how you can be involved, visit www.hanoverspromise.org.

For information on volunteer opportunities in Hanover County, visit www.hanovervolunteers.org, the Hanover Volunteers website, or call the Hanover County Department of Community Resources at (804) 365-4300.

Hanover County Parks and Recreation is proud to offer a great variety of recreational activities year round. Please browse this program guide for details on upcoming classes, clubs, athletic leagues, park usage, special events, registration procedures and more.

To register for a course:

All classes require online, mail-in, fax or drop-off pre-registration with payment. **Registration deadline is 2 weeks prior to start of program.** Registration details and the registration form are located on pages 26-27.

To reserve a picnic shelter:

Picnic shelter reservations require pre-registration and pre-payment. Applications for shelters can now be submitted up to one year in advance of desired date. Shelter reservation details and form are located on pages 4-6.

To reserve an athletic field/facility:

If you are interested in reserving an athletic field in one of the county parks, please call or email Parks and Recreation to obtain a "Use of Park Facility Application" form. Field rate information can be found on page 5. Applications for the upcoming calendar year will begin to be accepted in December and are due by January 1st. Applications received after January 1st will be considered as space is available.

If you are interested in reserving an athletic facility that is located in or on the property of a Hanover County school, please visit <http://hcps2.hanover.k12.va.us/> and complete an Online Facility Use form. This can be found on the "Quick Links" drop down menu.

Both applications require a certificate of insurance and must be received at least two weeks prior to event.

To check field conditions during inclement weather:

Inclement weather may force the closure of athletic fields. To check on the status of an athletic field, call the automated Athletic Field Weather Hotline at (804) 365-4698 or visit us on Twitter at www.twitter.com/hanoverparksrec. These will be updated by 3pm on weekdays during inclement weather.

Weather/Adverse Conditions Policy:

When Hanover County Schools are closed due to inclement weather or adverse conditions, all recreational programs and activities will be cancelled. Please call (804) 365-7150 for the latest information on closings and cancellations. To check field conditions, please call (804) 365-4698 or visit us on Twitter at www.twitter.com/hanoverparksrec

Hanover County Public Schools Inclement Weather Use of Facilities Policy:

The extended period of inclement weather combined with the differences in weather conditions that may exist from one end of the county to another, encourages a position that supports flexible use of facilities. When schools are closed on Friday, all activities are cancelled for Friday. The status of Saturday/Sunday events, however, falls to the discretion of the school principal to allow or disallow activities as originally scheduled. Factors to be considered are safety related. We do not wish to jeopardize the safety of anyone, nor place anyone in a libelous position by allowing access to school property when conditions are not safe due to snow or ice.

Special Accommodations:

Hanover County Parks and Recreation encourages individuals with disabilities to participate in any program or class offered through the Department. If any special assistance is needed to participate in a program, please contact the Parks and Recreation Department at (804) 365-7150 at least 15 days prior to the start of the program to further discuss these needs.
