ADDRESS VERIFICATION REQUEST FORM

In 1994, Hanover County implemented a street address numbering system as part of establishing an enhanced 911 emergency response system program. At that time, some existing street addresses had to be changed to establish a consistent and programmatic street addressing system. This form is intended for those property owners seeking to verify that their old street address has been changed to a new street address. County residents may request verification and/or confirmation that their old street address was changed to a new street address in 1994 by filling in the following information and following the submission requirements noted below. The County no longer keeps old street address records, so if you do not know your old street address, the County can only verify what the new street address for your property is today.

Old Street Address: _____

New Street Address: _____

Property Tax
Parcel Number: _____

Fax the completed form to the Geographic Information System Office at (804) 365-6309 or mail the form to GIS Office, P.O. Box 470, Hanover, VA 23069. If you have questions, contact the GIS Office at (804) 365-6811 or gis@co.hanover.va.us.
