<sup>1</sup> Census 2000 terminology and categories are used for data on race. Because individuals could report only one race in the 1990 census and could report one or more races in Census 2000, data on race for 1990 and 2000 are not comparable. See "Population by Race and Hispanic or Latino Origin for the United States: 1990 to 2000," (PHC-T-1). At <www.census.gov>, select Population Tables/Reports, then select List of Tables.

<sup>2</sup> Census 2000 terminology is used for ethnic categories. The corresponding term for "Hispanic or Latino" in the 1990 census was "Hispanic origin."
