

HANOVER COUNTY SHERIFF'S OFFICE Volunteer Program

P.O. Box 40
Hanover, Virginia 23069

Dear Prospective Volunteer,

I would like to take the opportunity to invite you to join the Hanover County Sheriff's Office Volunteer Program. This program, launched July 1, 2008, is aimed at involving the citizens of Hanover County with the Hanover County Sheriff's Office.

We are looking for motivated individuals who want to volunteer and help with various tasks within the Sheriff's Office. While we have identified numerous volunteer positions that will support the mission of the Sheriff's Office, we encourage everyone with special skills and abilities to apply so that we may match a skill with a task.

Interested citizens are encouraged to complete a volunteer application on our website at www.hanoversheriff.com or to call the Hanover County Sheriff's Office Personnel Unit to receive an application by mail. Applications are reviewed on a continuous basis; there is no cut-off deadline to apply.

On behalf of the citizens of Hanover County and the men and women of the Sheriff's Office, we appreciate your interest in volunteering with us. If you should have any questions, please call (804) 365-6110.

Respectfully,

Colonel David R. Hines
Sheriff
