A Letter From The Sheriff:

I would like to welcome you to the Hanover County Sheriff's Office Volunteer Program. We are very proud of our organization, and we are grateful for your willingness to serve your community to help keep Hanover County safe.

The Hanover County Sheriff's Office is the principal provider of law enforcement services for the County of Hanover, providing service to a population just over 100,000 who reside within 472 square miles. Because of the hard work and dedication of our men and women, the Hanover County Sheriff's Office has become one of the most respected law enforcement agencies in the Commonwealth.

The Hanover County Sheriff's Office is extremely fortunate to be able to enjoy a positive and cooperative relationship with our County's citizens. Through volunteer opportunities, assistance received through civic and religious groups, student and parent participation, and local business and county administration support, we are able to provide the best and most professional law enforcement services to our County. We are fortunate enough to accomplish these relationships by holding true to the Sheriff's Office mission statement.

Colonel David R. Hines, Sheriff
